

# INDEPENDENT HOTELS

India, a country full of amazing contrasts and cultures can be even more surprising and enjoyable when making use of its wide variety of independent hotels.

From region to region, the independent hotels of India are the perfect reflection of local difference and diversity in this wonderful country. As well as offering a more personal, intimate service the rooms often reflect their independent nature by encompassing eclectic styles, interesting furnishings and an attention to detail that both stirs the mind and relaxes the body.

Independent hotels also offer services to suit most budgets and requirements. The hotels offer standard rooms which are pleasant and more than acceptable right up to rooms and suites offering the full on five star experience with that certain WOW! factor as standard.

However, whatever you choose, you can be sure there is something to suit your taste and budget. Many hotels also offer ultra modern modern conveniences including hi-tech leisure facilities, hi-speed internet connections and world class restaurants and bars.
